Director’s Letter

As the phased reopening of our city facilities and programs continue, we are excited to embark on a new season and welcome back more members of the community to our recreation and library facilities.

This fall, we will continue to offer recreation and library programming consistent with county, state and federal guidelines through a combination of in-person and online programs. We encourage you to use this guide to discover new programs, events and classes for yourself, your children, or the whole family. Here’s a snapshot of just a few of the many opportunities coming up this fall.

Pleasanton Youth Basketball: PYB will return this fall to provide youth in 1-12th grades a recreational basketball league to support skill development, making new friends and being part of a team. You can find detailed information about this exciting program on page 21.

Library Card Sign Up Month: There’s nothing more empowering than a library card. We encourage new patrons to sign up for a library card to gain access to books, technology, media, and educational resources. We invite everyone back to the library to take advantage of the many programs, services, and clubs the library has to offer.

Alviso Adobe Fall Festival: Join us to experience local history and nature through free guided hands-on activities, adventures, crafts and much more. The Fall Festival will be held on Sept. 25 from 11 a.m.–2 p.m. at the Alviso Adobe Community Park. Please register online to enjoy this wonderful event. See page 2.

The Library and Recreation Department staff will continually strive to provide a variety of offerings and a sense of place in our facilities that allow you to Discover, Connect, and Enjoy. If you have feedback or ideas on future programming, please contact Heidi Murphy, Library and Recreation Director, at hmurphy@cityofpleasantonca.gov or (925) 931–3406.

Beginner Kendo

Kendo is rooted in the sword fighting techniques of the ancient Japanese warrior SAMURAI. The martial art conditions the body and mind through traditional physical and spiritual training, ignites continuous self-improvement, and forges a warrior spirit to conquer adversity. This class is for those who have never practiced Kendo or need to brush up on the fundamental movements of Kendo. The beginner class focuses on the basics and understanding the characteristics of Kendo. *A supply fee for Shinai (bamboo sword) and bag is due at registration.* For more information, visit www.hsskkendo.org

ENGINEERING & SCIENCE

Wheels in Motion

These wheels are ready to roll! Students will use LEGO® bricks, axles, pulleys, gears, and motors to build a variety of models on wheels. Some are familiar vehicles, such as a fire engine and delivery truck. Others are more spectacular, such as the Rescue Robot and K-9 Bot. Do you have a need for speed? Put your Speed Bot model to the test as your race against others using remote controls! We'll explore concepts of speed and force, and gain non-vehicle knowledge from the unconventional Wheels in Motion models as well. Let's roll! **Supply fee due at registration.** Visit www.brick4kidz.com/trivalley for more information.

Many children dream of being an astronaut and traveling to space, so Bricks 4 Kidz created an entire unit around space! Each week, students will learn about real-life space exploration and build a new model related to the NASA space program. Models include a satellite, a lunar module, a centrifuge that astronauts use to prepare for the physical sensations of launch, a treadmill that astronauts use to stay fit in space, and a "space robot." During this unit, students will learn some of the science behind launching things into orbit, will hear about the most distant man-made object in the universe, and discuss what it is like to be an astronaut in space. Are you a budding astronaut? An adventurer who loves space exploration? Then you'll love our Space theme projects. Virtual Junior Programmers

Start with making a character dance to producing a full simulated environment. In this introductory sequence of projects for Scratch Jr., we gradually introduce a variety of practices and concepts while simultaneously exposing young coders to a variety of blocks and tools in Scratch Jr. Each project is aligned with the algorithms and programming standards developed by the Computer Science Teachers Association (CSTA).

Inktober: Art in Nature

Did you know that art and science go hand in hand? Naturists, like Darwin and Audubon, did! Celebrate Inktober by finding the art in nature. During a two-hour, outdoor program, every Saturday, for the five weeks of October, each teen will get an art kit, make their own paper and ink, and discover new ways to look at their surroundings, connect with other artists, naturists, their own talents, and enjoy the world around them. Sign ups are limited! Go now!

Pleasanton Pedalers Cycling Club

If you love cycling, making new friends, and want to have lots of fun, this group is for you! We have group rides for cyclists of all skill levels and interests, from those who want to start cycling to experienced veterans of road biking.

Rides will range from those with an easy pace, from 15 to 25 miles long, on relatively flat terrain to 45 mile rides with climbing. There will be stops along the way for refreshments and socializing. All rides are "No-Drop," meaning no one will be left behind. Groups meet at the Senior Center parking lot. A signed waiver is required of all riders.

For more information and to sign up for a ride, log on to meetup.com/PleasantonPedalers or call ride leader Steve McGinnis at (925) 200-9031. All rides are free. Please check the website for days times and ride length.

Fee Assistance Program

Did you know?

The Library and Recreation Fee Assistance Program provides services and activities for low income families and seniors living in Pleasanton. Last year your generous donations helped make the following possible:

- 58 seniors received discounted rides on the Paratransit Bus and were able to participate in activities at the Pleasanton Senior Center.
- 140 families received discounts for swim lessons, exercise classes and other activities sponsored by the City of Pleasanton

For information about receiving fee assistance, go to the Library and Recreation website at:

www.cityofpleasantonca.gov/gov/depts/cs/fees.asp

To donate to this vital program, simply include any donation amount on the Registration Form

For more information, call the Library and Recreation Department (925) 931-5340 or the Senior Center (925) 931-5365

WAIVER, HOLD HARMLESS, RELEASE OF LIABILITY

I have registered for a program (or I have registered my child for a program) offered in the City of Pleasanton's Activities Guide. My (or my child's) participation in this activity is voluntary. I am (or my child is) physically fit to participate in this activity. I understand that the activity that I (or my child) enrolled in may involve risks and that serious injuries could occur while I am (or my child is) participating in this activity. Depending on the nature of the activity, the risks and hazards may increase. For example, participation in a sport could result in injuries to me (or to my child) including death due to risks including but not limited to, hazards associated with the field, gym, or other playing conditions, equipment, weather conditions, interactions or collisions with other participants, etc. In addition, if transportation is provided during the activity, serious injuries or death could occur to me (or my child).

Knowing these risks, I want (or my child wants) to participate in this activity. I (or I on behalf of my child) hereby assume these risks and agree to waive, release and discharge the City of Pleasanton and the Pleasanton Unified School District (and the City's and District's respective officials, officers, employees, volunteers, and agents) from any and all claims for damages for personal injuries or death, or for claims for damage to property, which I (or my child) or I (or my child's) heirs, assigns, executors or administrators may have or which may accrue to my (or my child's) participation in this activity, including transportation provided during the activity as applicable. I have read the above and understand that important legal rights are being waived.
